

Celebrate and Educate  
**Hearts & Hands**  
**Conference**

for health care assistants

# Dear prospective sponsors

The 2018 Hearts & Hands Conferences for B.C.'s Health Care Assistants are being held in two locations:

- 1 **October 3rd** in Victoria at the Saanich Fairgrounds
- 2 **October 17th** in Penticton at the Penticton Trade and Convention Centre

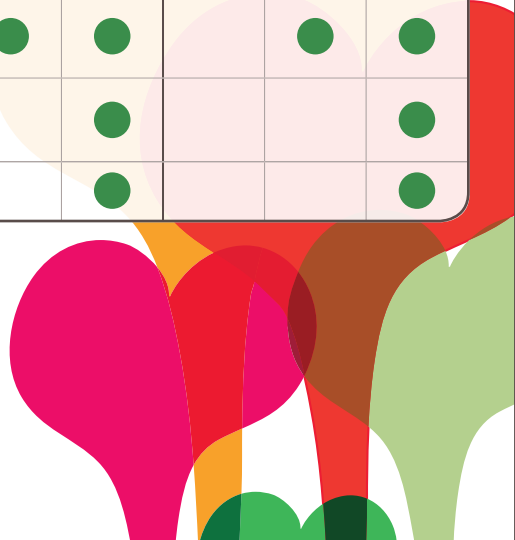

Health care assistants work in our homes, hospitals, complex care, and assisted living environments. They are the true unsung heroes of our health care system. Unfortunately, they are also the most often injured workers in the province. These conferences are organized to provide health care assistants with ideas and tools to keep them safe in their workplaces.

We are expecting over 150 health care assistants for each conference representing staff from many of the local home care, complex care, and assisted living employers.

Sponsorship of the conference will provide a platform to showcase your brand and value proposition to the industry.
